Youth for
Tomorrow's
Workforce**

JA INSPIRE VIRTUAL

November 2022 - July 2023

JA Inspire Virtual is a one-of-a-kind career exploration experience that helps middle and high school students plan for the future and understand essential skills needed to increase their future employment prospects.

Using an interactive online platform, this event will connect thousands of teens to companies and industries across Maryland, introducing the next generation to greater economic opportunity and companies to future employees.

85%
of Baltimore teens do not have aspirations for their future careers

60%
of employers say that their current workforce lack the skills needed for the future.

For more information, contact Mandy Snyder at msnyder@jamyland.org or 410-753-3297.

JAMARYLAND.ORG

Through this experience, thousands of middle and high school students will...

- Explore careers and the skills needed for in-demand jobs
- Solidify education and coursework choices for high school and beyond
- Connect first-hand with industry professionals

Virtual Career Expo Features:

- Interactive industry and employer showcase
- Downloadable career information and on-the-job videos
- Interactive features, such as a live chat and gamification elements to increase participant engagement
- 3-month extended access to featured career and industry information
- Platform compatibility across multiple technologies
