

Junior Achievement of Central Maryland presents
THE BEST AND BRIGHTEST OF 2022

In partnership with *Baltimore magazine*, our inaugural JA 18 Under 18 awards program will honor the most extraordinary young people in the Greater Baltimore area. This program will showcase the state's up-and-comers who show exceptional entrepreneurial spirit, and an overall extraordinary skillset - the young people who represent our future leaders, change makers and innovators.

Winners will be featured in the May 2023 edition of *Baltimore magazine*, profiled on the Junior Achievement of Central Maryland website, have opportunities to network with C-Suite executives and leaders in the Greater Baltimore area, and be recognized for their accomplishments at a formal awards ceremony.
