Junior Achievement Entrepreneurship Accelerator

This free one-day accelerator is designed for aspiring or new entrepreneurs ages 16-24 years old to help them launch their big business ideas! Throughout the day, they'll experience hands-on workshops, connect with experts in the industry and develop meaningful connections.

As a featured component of the event, the **Employment & Resource Fair** invites businesses and organizations to table and connect with aspiring entrepreneurs and job seekers to provide:

- Employment and internship opportunities
- Business and entrepreneurial support services
- Educational and training opportunities
- Mentorship and networking connections
